

Curriculum Vitae

Julia Olsen

Office address:
Nordland Research Institute
8049 Bodø
Mob.: + 47 451 40 466
E-mail: jol@nforsk.no

EDUCATION

2016 – 2020 **Ph.D. in sociology at the Faculty of Social Sciences at Nord University.** Title for the dissertation: *“Shipping and Arctic communities. An empirical study of local adaptive capacity”*. Defended on June 18th, 2020.

2009 – 2011 **Master of Science in Sustainable management, University of Nordland, Norway**
Master Thesis: *“Ambitious policies and hesitate companies” – Case study of Russian energy efficiency supply companies*

2005 – 2010 **Economic Manager in the field “Economics and Company Management (company of fuel and energy industry)”, Ukhta State Technical University, Russia.** Graduation work: *“Ecological business management (by the example of LUKOIL-Severo-Zapadnefteprodukt)”*

WORK EXPERIENCE

April 2020- present, **Senior Researcher**, Nordland Research Institute (Norway)
September 2019- December 2020, **Researcher/ Lecture** Nord Universitet (Norway)
February 2016- September 2019, **Ph.D. Candidate**, Nord Universitet (Norway)
January 2014 – December 2017, **Researcher** at Nordland Research Institute (Norway)
August 2012 - January 2014, **Project Consultant** at Nordland Research Institute (Norway)
April 2012 - June 2012, **Practical work** at Nordland Research Institute (Norway)
October 2007 - May 2009, **Assistant manager** at Interbridge (Russia)
December 2006 - January 2010, **Practical work** at LUKOIL (Oil Company) in economical department (Russia)

TEACHING & SUPERVISION EXPERIENCE

2021, 2022 – Navigation, Shipping and Offshore, Activities in the Arctic, University Centre of the Westfjords, Iceland

2021 – Nordic societies, Nord University

2021 - supervision of 7 Bachelor and 1 Master students, Nord University

08.2020-12.2020 Contemporary Issues in the Circumpolar North, Nord University (Responsible for the course)

02.-05. 2020 Environmental Sociology and Project Management, Nord University

01.2020- Human Dimensions of Arctic Shipping. Bachelor course. UiT, Fjellidal.

09.2019- Human Dimensions of Arctic Shipping. Arctic Shipping PhD and Master-course. UNIS, Svalbard

09.2019 – Skipstrafikk og miljø. Lån en forsker (Forskningsdagene). Longyearbyen.

06. 2019 – Changing Arctic and communities' adaptation. Open lecture. NARFU, Russia.

08. 2018 - Human Dimensions of Arctic Shipping. Arctic Shipping course. UNIS, Svalbard

03. 2018 - Local adaptive capacity in the context of increasing shipping activities in the Barents Sea. University of Ottawa. Canada

09.2017- Klima endrer seg. Lån en forsker (Forskningsdagene). To videregående skoler i Bergen.

03.2017 – Community adaptation and perception of change. Interdisciplinary PhD course in Marine Sustainability. Co-organized by Future Earth, North University, Nordland Research Institute and University in Tromsø

09. 2016 – Klimaet setter nye grenser. Lån en forsker. En videregående skole i Nordland.

09. 2015 – Hvor kommer vår mat I fra om 10 år. Lån en forsker. Fem videregående skoler i Nordland.

APPOINTMENTS

2022 Visiting scholar Scott Polar Research Institute, Cambridge University, Cambridge, UK

2019 Visiting scholar NARFU, Arkhangelsk, Russia

2018 Visiting scholar, University of Ottawa, Canada

2017 Visiting scholar NARFU, Arkhangelsk, Russia

2017 Visiting PhD Student UNIS, Longyearbyen, Svalbard

PROJECTS

Project leader:

2021- Moving North: Arctic shipping and coastal communities' engagement with their surrounding natural environment. Funding for a research stay abroad. Research Council of Norway.

2021- Coordination of transport needs in the High North. Arctic 2030.

2019- Dissemination project. National Research Days Research Council of Norway

2018 - Shipping in a changing Arctic: community adaptation. Research Council of Norway

2017- Research Exchange. Erasmus +, EU

2017- Svalbard shipping activities in changing conditions: community perspectives. Svalbard Science Forum, Research Council of Norway

2016- ForskerBattle. National Research Days. Research Council of Norway

Project participant:

2021- 2024 SHIFTPLASTICS. Shifting to sustainable circular value chains for handling plastics in the fisheries and aquaculture sector. Research Council of Norway
2020-2024 Face- it. The future of Arctic coastal ecosystems - Identifying transitions in fjord systems and adjacent coastal areas. EU, Horizon 2020.
2020-2024 Balancing Act. Sustainable Tourism in Svalbard. Research Council of Norway
2020-2023 Caring for Cruise. Sustainable Arctic Cruise communities: From practice to governance. Working package leader. Research Council of Norway
2017-2019 RE-D-USE. New knowledge for reduction and utilization of marine waste from fisheries. Arktis 2030. Ministry of Foreign Affairs
2014-2019 ACHILLES. Arctic climate change induced hazards and social transformations for upholding local livelihoods, safety and wellbeing. Research Council of Norway
2014-2019 ARCTICCHALLENGE: Arctic petroleum development as a challenge to societies: A comparative look at Norwegian, Greenlandic and US case sites. Research Council of Norway
2014-2016 AquaClimate: Aquaculture, Climate Change, and Knowledge: Adaptation and Innovation. Regional Research Council (Northern Norway)
2014 Arctic Human Development Report
2013 Arctic Resilience Report
2012-2014 CAVIAR II. Critical Aspects of Adaptive Capacity to Climate Change in the Northern Regions. Research Council of Norway

REVIEW WORK:

- 2020- Review for *Journal of Destination Marketing & Management*; Land; Springer Polar
- 2019 - Reviewer for *Journal Sustainability*
- 2016 – Reviewer for *Journal of Sustainable Tourism*

COURSES:

2020. Completed. Advanced course for research proposal writing. Advanced Training. Nord University. 4-5 November 2020.
- 2019-2020. Completed. Universitetspedagogikk (University teaching). Nord University. September 2019-February 2020.
2017. Completed. Arctic shipping. 31 July-11 August, Longyearbyen
- 2016-2017. Completed PhD course: Philosophy of Science and Research Ethics. 24-25 November, 18-19 January Bodø
- 2016-2017. Completed PhD course: Kvalitative forskningsmetodar i samfunnsvitenskapene. 20-23 September and 30-31 January, Stavanger.
2016. Completed. Prosjektversted i regi av Norges Forskningsrådet
2016. Completed. Formidlingskurs med *Aftenposten* i regi av Norges Forskningsråd.

2016. Completed PhD course: Climate Change Adaptation and Transformations towards Sustainability, 1 - 5 August 2016 Oslo.

2016. Completed PhD course: Vienna Arctic Summer School. Austria 28 August-9 September 2016

2016. Completed PhD course: Governance in the High North: implications for Arctic private and public sector. Bodø 25 May and St. Petersburg 14-15 September 2016.

2013 Completed a Phd course: Shipping in Arctic Water: The interaction of sea ice, ship technology, climate change, economy and other operational conditions. 18-26 August. Svalbard.

2013 Completed a PhD course: Community adaptation to Climate Change in the North, organized by Department of Geography and Economic History, Umeå University. 10-14 June, Vindeln, Sweden.

2013 Completed the on – line course “Leave, Learn and Lead: Arctic governance”, organized by International Institute for Sustainable Development.

2013 Introduction course Questback.

MEMBERSHIP

2020- Svalbard Social Science Initiative

2020 - A member of advisory board at Springer Polar.

2014-2019 Arctic-FROST, early career researcher and fellow.

2014 - International Arctic Social Science Association

POSITIONS ON BOARDS

2021 Secretariat member in International Arctic Social Science Association

2021 – Board member of The Norwegian Association of Researchers, NRI Bodø

2016- 2018 Vice president at Norsk-Russisk forening i Bodø

2016- 2018 Vice president Kvinnenettverket NOOR

2014-2015 Editorial committee at NRI

2012-2015 Board member of the University sport team (Bedriftsidrettslag GenUiN)

2012- 2015 Member of the committee for social activities at NRI.

2009- 2010 Leder at International Student Union (ISU), Bodø University College, Norway
